Before You Start

The ApplyAlberta system will allow you to create a profile with your personal information and academic history. This information is filled in automatically on your application(s) to Alberta post-secondary institutions.

You will need the following:

1. A **MyAlberta Digital ID**. You will be prompted to create a MyAlberta Digital ID if you do not already have one. If you have previously used ApplyAlberta, you will need to transfer your former SIAMS account to your MyAlberta Digital ID - the system will walk you through the account transfer process.
2. Your **Alberta Student Number (ASN)**. If you have applied to or attended a school or post-secondary institution in Alberta, you will already have an ASN. To find your ASN, you can use the **ASN Lookup** service. If you do not have an ASN, the ApplyAlberta system will assign one to you.
3. Names of all high schools and post-secondary institutions you have attended or are currently attending.
4. High school courses and marks (for currently enrolled Canadian students only).
5. A credit card will be necessary to pay any application fees charged by the institution(s).

Hi Karuna,

Thank you for applying to The King's University!

My name is Courtney Radatz and I am the International Admissions Counsellor here at King's. I am also a Regulated International Student Immigration Advisor (RISIA). If you have any questions about your application, the admission process, study permits, or other legal aspects of studying in Canada, you can ask me. I will do my best to answer you in a timely fashion.

Your next step is to log into your [Application Status Page](#). This application status page contains a list of documents that you are required to submit and provides a place to upload those missing documents. We recommend that you check your application status page regularly for important updates regarding your application.

There are a couple things to keep in mind as you work on submitting your documents:

- We will need final, official copies of your transcripts from all educational institutions you have attended. This means that they will need to be sent directly by post from the issuing institution to The King's University. If you have previously attended an institution in Alberta, we can usually access your transcripts directly. However, you will need to arrange for all transcripts from outside of Alberta to be sent. Final, official copies of transcripts can be sent to the following address:

Admissions
C/O The King's University
9125 50 St NW
Edmonton, AB T6B 2H3
CANADA

- If you have applied for admission on a student's behalf, or if somebody else has applied on your behalf, the student who is applying must submit a signed authorization form. It is misrepresentation to apply on behalf of somebody else without authorization. Please let me know if this is the case, and I will send the appropriate form.
- If you have applied through an [Authorized Agent](#) of The King's University, please be sure to submit the Authorization Form they provide you with, as well.

We value your privacy and will not discuss the details of your application with anyone but you. If you would like to give us permission to discuss details of your application (i.e., status, money owing, required documents) with a family member or another person residing in Canada, you will need to sign a grant of authority note. If you would like further instruction on this, please let me know.

If you are a student who may require [Accommodations or Disability Support Services](#), you are also encouraged to complete an [Accommodations Services Request Form](#) as soon as possible.

Warm regards,

COURTNEY RADATZ
